

# Workplace Safety Activity Book

**Workplace safety helps all different types of people stay safe in their jobs by helping them avoid potential hazards**

- Some common hazards include:**
- **Tripping/falling hazards**
  - **Floor spills**
  - **Improper lifting**
  - **Improper use of chemicals**

Test your safety skills by colouring Tuk's new workshop on the next page

## TUK'S WORKSHOP ACTIVITY

Tuk recently opened up a new workshop and hired all their puffin friends to help out. They are having a bit of trouble keeping things safe and need someone to come help. Help Tuk by colouring the potential hazards in red. There are 7 in total. Good luck!
