

Job Search (Competition 83) Notes on Pre Recorded Presentation

Slides (3-9) represent a **suggested** format based on criteria required for the pre-recorded competition presentation. Specific details on content and presentation can be found in the Contest Description found on the competition website. While competitors are encouraged to use these ideas as a foundation for the development of their presentations, they should not limit their presentation to using this exact template.

Minimum expectations for content:

- o Must clearly articulate how to prepare for an interview with a focus on highlighting skills that target the specific job posting they selected and for which they completed an application form, and constructed a cover letter and resume
- o Competitors must make clear and relevant connections between at least three Skills for Success and the position they selected
- o Must include a minimum of 6 slides to a maximum of 8 slides (including the introduction slide); competitors must complete their presentation in a time period of no less than 3 minutes and no more than 5 minutes.
- o Must include slide notes that expand upon the content contained in each slide.
